From the Kansas City airport (MCI): From either the airport terminals or the rental car facilities near the airport, follow the signs indicating "Airport Exit". Watch for and take "I-435 East/ St. Louis". This highway changes to I-435 South within a short time. Follow I-435 South, taking exit #61, 23rd Street (also marked as Missouri Hwy 78). Turn left (east) on 23rd Street and go to the first light (Television Place). Turn left on Television Place, and turn left again immediately into our uphill driveway. Visitor's parking spaces are located in front of the main brick entrance to our building. Our office is 30 minutes from the airport.
